INDEPENDENT AUDITOR’S REPORT

To the Board of Directors of
New Jersey Reentry Corporation
Jersey City, New Jersey

Report on the Financial Statements

We have audited the accompanying financial statements of New Jersey Reentry Corporation, (a nonprofit organization), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the period December 1, 2015 through June 30, 2016, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of New Jersey Reentry Corporation for the period December 1, 2015 to June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

**Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying and the schedule of state financial assistance, as required by New Jersey OMB Circular 15-08 are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with Government Auditing Standards, we have also issued our report dated October 7, 2016, on our consideration of New Jersey Reentry Corporation’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering New Jersey Reentry Corporation’s internal control over financial reporting and compliance.

NEW JERSEY REENTRY CORPORATION
NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD DECEMBER 1, 2015 THROUGH JUNE 30, 2016

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation

NJRC reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted assets.

Grants Receivable

Grants receivable are stated at the amount management expects to be reimbursed by federal or state funding agencies. Grants receivable also include amounts advanced which have not yet been expended.

Cash and Cash Equivalents

For the purpose of the statement of cash flows, NJRC considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Furniture and Equipment

NJRC capitalizes all expenditures for property and equipment in excess of $5,000. Furniture and equipment are carried at cost. Depreciation is computed using the straight-line basis over the estimated useful life of the asset.

Revenue/Expense Recognition

Revenues are recognized when the funds are earned. Grant revenues are considered temporarily restricted until the time resources are expended for the purpose specified in the grant agreement. At the time the expense is incurred program restrictions are considered satisfied and the temporary restriction of net assets is considered released.

Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the Statements of Activities and in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Deferred Revenue

Income from grants are deferred and recognized when earned.

Actual results could differ from these estimates.

Income Taxes

NJRC is exempt from federal income tax under Section 501(c) (3) of the Internal Revenue Code. It is also exempt from state income taxes. However, any unrelated business income may be subject to taxation. The NJRC has no liability for any unrelated business income tax.

NOTE 3: OFFICE AND TRANSPORTATION EQUIPMENT

<tr>
<td><strong>Total Equipment</strong></td>
<td><strong>$116,211</strong></td>
</tr>
</tbody>
</table>

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
New Jersey Reentry Corporation
Jersey City, New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of New Jersey Reentry Corporation (a nonprofit organization), which comprise the statement of financial position for the period December 1, 2015 to June 30, 2016, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 7, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered New Jersey Reentry Corporation’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of New Jersey Reentry Corporation’s internal control. Accordingly, we do not express an opinion on the effectiveness of New Jersey Reentry Corporation’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.
Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters
As part of obtaining reasonable assurance about whether New Jersey Reentry Corporation’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report
The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY NEW JERSEY OMB CIRCULAR 15-08

To the Board of Directors of
New Jersey Reentry Corporation
Jersey City, New Jersey

Report on Compliance for Each Major State Program
We have audited New Jersey Reentry Corporation’s compliance with the types of compliance requirements described in the State of New Jersey OMB Circular 15-08 Compliance Supplement that could have a direct and material effect on New Jersey Reentry Corporation’s major state program for the for the period December 1, 2015 to June 30, 2016. New Jersey Reentry Corporation’s major state program is identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility
Management is responsible for compliance with state statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor’s Responsibility
Our responsibility is to express an opinion on compliance for New Jersey Reentry Corporation’s major state program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of New Jersey OMB Circular 15-08. Those standards and New Jersey OMB Circular 15-08 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about New Jersey Reentry Corporation’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for its state program. However, our audit does not provide a legal determination of New Jersey Reentry Corporation compliance.
Opinion on State Program

In our opinion, New Jersey Reentry Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major state program for the period December 1, 2015 to June 30, 2016.

Report on Internal Control Over Compliance

Management of New Jersey Reentry Corporation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered New Jersey Reentry Corporation’s internal control over compliance with the types of requirements that could have a direct and material effect on its state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major state program and to test and report on internal control over compliance in accordance with New Jersey OMB Circular 15-08, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of New Jersey Reentry Corporation’s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of New Jersey OMB Circular 15-08. Accordingly, this report is not suitable for any other purpose.
